TRIANGLE RESTORY INTRODUCTION

Production, Planning, and Promotion

Triangle Story is a **full-service video production company**,
handling everything from planning
and filming to editing and promotion.

With in-house production,
we deliver fast, **high-quality results with exceptional efficiency.**

Triangle Restory

Custom Video Production Across Various Fields

With extensive experience in **fashion films**,
YouTube content, corporate
and product promotion, and entertainment,
we create videos **optimized for target audiences.**

TRIANGLE RESTORY VISION

**We enhance brand value
through storytelling**

Brand storytelling is about capturing the brand's values and philosophy, emotionally connecting with consumers, and **fostering trust and loyalty that go beyond mere empathy.**

Triangle Story listens to market trends and consumer voices, **creating unique stories that differentiate each client.**

Triangle Story listens to market trends and consumer voices, creating unique stories that differentiate each client.

TRIANGLE RESTORY ORGANIZATION CHART

Increase Your Brand's Value
Through Storytelling

- INDEX
- STRENGTH

Triangle Story has no outsourcing
I will do all the work myself.

TRIANGLE RESTORY INDEX

Planning & Production

- We plan **by analyzing data** to reflect market trends.
- Our goal is to maximize the increase in consumption from our target audience, attract potential consumers, and boost views.

Video Production

- We create emotionally impactful videos that convey the client's message.
- From shooting and editing to motion graphics and sound design, **our team of experts is responsible for every step of the process.**

Promotional Marketing

- Beyond video production, we design the optimal promotional strategies for platforms, social media, and online communities, continuously analyzing consumer responses.
- Through regular feedback and detailed channel management, **we effectively engrain the brand in the minds of consumers.**

TRIANGLE RESTORY STRENGTH

Data-Driven Custom Video Production

By analyzing market data, we identify consumer preferences and create customized videos that achieve client goals.

We design every element, from titles and concepts to storylines and color schemes, reflecting current trends.

Versatile Video Production

With extensive experience in fashion films, entertainment, YouTube, live streams, and advertisements.

We deliver high-quality videos **tailored to the format and style desired by our clients.**

A Trusted Partner

Time - We strictly adhere to deadlines.

Budget - Our in-house production reduces unnecessary costs.

Expertise - We deliver videos with the quality our clients desire.

Supporting Clients' Continuous Growth

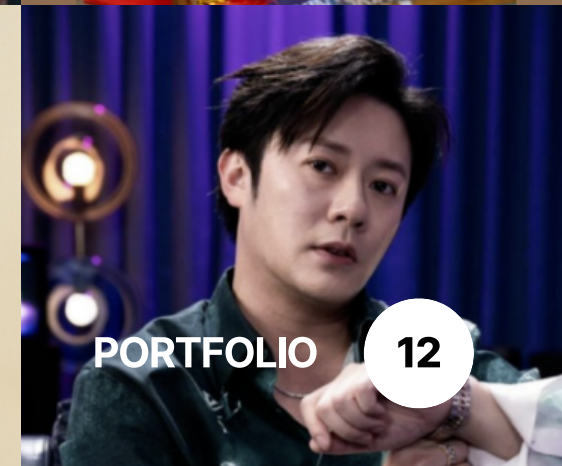

We analyze project performance and incorporate feedback, offering tailored consulting **to help clients achieve sustained growth.**
